Important Reminders

Student Government Elections are here!! Don't forget to vote and have your voice be heard! Voting is held through GetInvolved and will be open March 1st-3rd. The International Students Organization is supporting #RiseUp and here's is why you should too: #RiseUp Party will implement funding for international students scholarships. These scholarships will be available to all international students at UH without having to compete with US Citizens and Green Card holders. #RiseUp will also work to create a mass COVID-19 vaccination center at UH as well as more internship opportunities to prepare students for the workplace. They also plan on working towards a more green campus and providing free menstrual products in all UH restrooms. Vote today, vote #RiseUp
